Disclaimer

The information presented on this site is for informational purposes and is NOT intended to replace or supplant a professional assessment by a competent, trained, and knowledgeable medical, psychological, mental health, or child development professional. It is merely intended to provide general information regarding adoption, attachment, bonding, and related issues. If assessments, treatments, advice, or other expert assistance are required, the services of a competent professional should be sought. Only a person with extensive knowledge, experience, and training in the assessment and treatment of trauma attachment disorders should diagnose or treat the conditions described on these pages.
